

How to Keep Porn Out of Your Home

Here's What You Need to Know

"If people understood the debauchery of this business, and what pornography does to an individual addicted to it, they would be far more motivated to work for its control."

- **Dr. James Dobson**

Sadly, pornography has crept into virtually every corner of our world. What you may not know is just how easily it is entering our homes—yes, even Christian homes—threatening marriages and damaging impressionable children.

Dr. Dobson invites you to listen to these 5 short clips from our panel of experts who shine a bright light on this powerful addiction that is ravaging far too many families.
