- **What we believe.**
We believe that because mankind was created in the image of God, we have the ability to choose between right and wrong. Thus individuals are morally responsible for their choices, but since the fall of Adam, people are unable in their own strength to do what is right. This is due to original sin, which corrupted of the nature of each person, and is passed down naturally to all of Adam's descendents. Because of it, humans are by nature continually inclined to evil. They cannot of themselves even call upon God or exercise faith for salvation. But through Jesus Christ, the **Grace** of God makes possible what humans cannot do, in their own strength. This **Grace** is bestowed freely upon all, enabling all to turn and through Faith in Jesus be saved.
